

CONTINUING EDUCATION SPONSORSHIPS

As a benefit of the REALTOR® membership, the Association provides continuing education courses each year. These courses are focused on different areas of the industry with local and national experts serving as the instructors. These classes are hosted at the Hilton Garden Inn located at 24 Liberty Drive, Cartersville, GA 30121. We are seeking sponsors for each of these classes.

Sponsors are a vital part of the Northwest Metro Association of REALTORS® Continuing Education classes. There are many benefits to sponsoring a Continuing Education class:

- Six foot table with ability to give out literature.
- Ability to request business cards from attendees.
- Recognition in an Email Invitation to the Association Membership (over 300).
- Recognition on the Association's website.
- Recognition during the class by the facilitator.
- Two minutes at the beginning of class to promote your firm to attendees.
