

## THANKSGIVING HOLIDAY BASKET DRIVE

This year, the committee has decided to again challenge ourselves with a goal of 175 baskets! Last year we were able to accomplish this goal and as many of you in the community already know, the need for help continues to grow.

In lieu of boxes being delivered to each office, we are asking that all food items be delivered to the Community Service Committee during the membership meetings leading up to Thanksgiving.

If your office has great success and you are in need of a pick-up instead, please contact the office at 404-732-0663 to let us know.
